

Welcome to Dr. Brass School

Dr. Brass is a Prekindergarten to Grade 8 school located at 19 Darlington Street West in Yorkton. The school has a rich history and beautiful architectural elements notably the entrance/office area and the gymnasium.

A number of areas in the school received a paint touch up, the entrance way was included. See before and after pictures:

Entrance Before

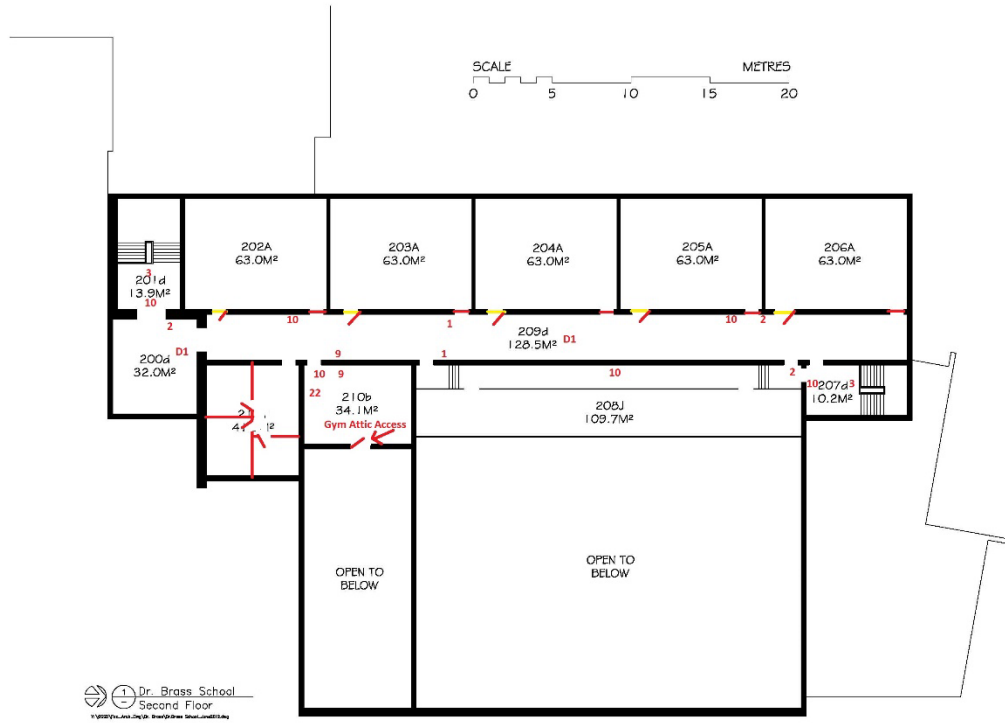

Entrance After

The current enrolment for this K- 8 school is 186 students. The utilization rate for this school is only 71%.

The original School was built in 1949 and received an addition in 1972, this is the north set of classrooms and library referred to as the 72 wing.

The beautiful gymnasium received a new ceiling and new LED lighting in 2019. It was also one of the areas that received some painting.

The school library.

This school houses a daycare.

Provides hot lunches to students – cooked here in the “Bears Den”.

Typical classroom.

Bear Island (pictured below) is a space where students are able to go to feel safe and away from the colonial feeling of a school setting. The room is equipped with an air filtration and set up to provide students with the opportunity to use smudging as a self-regulation support.

Each afternoon a cultural focused classroom/academy is led by Mrs. Delorme. During this time, she infuses cultural teachings such as Social, Health, and 50 % arts and P.E as there are 90 % indigenous students in this group. Her goal is for the students to build a sense of cultural identity.

Painting and flooring upgrades.

Community Pantry.

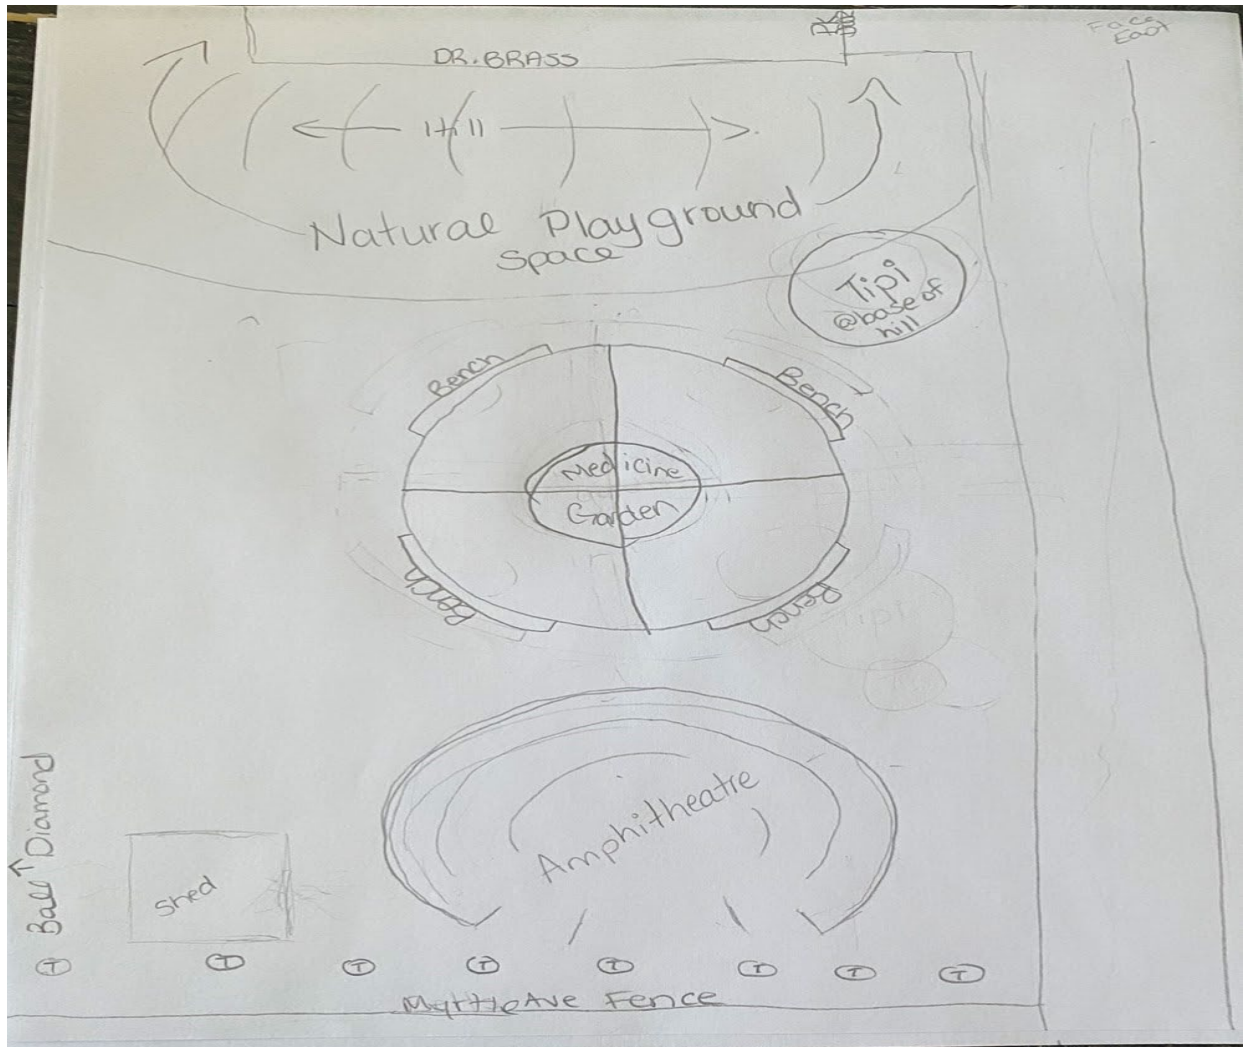

Outdoor Classroom.

Outdoor Space Future Planning.

Dr Brass is doing a lot of exciting things. The school offers innovative curriculum such as a hockey and dance academy. These present new and exciting challenges for our facilities team as we support the school staff.

Future Dr. Brass Projects:

- Exterior Surveillance
- 72 Wing Air Handler
- Classroom Renovation
- Front Office Renovation
