

SECONDARY STUDENT CREDIT REQUIREMENTS

Background

The Division expects that, whenever possible, students at the secondary level shall take the equivalent of eight or more credits in each academic year.

Procedures

1. All students in Grades 9-12 are required to develop and maintain graduation and post-graduation plans via the required platform (e.g., myBlueprint) to support their transition through secondary school and beyond.
2. The principal, graduation coach, or designate shall monitor the graduation plans and credit attainment of secondary students on an ongoing basis.
3. The principal, graduation coach, or designate shall, in consultation with classroom teachers, develop plans to support students in meeting graduation requirements.
