Please indicate the manner in which this information was discussed with the parent/guardian/individual signing below:

Reasons for refusal of services (to be completed by the person signing below):

Signature to acknowledge the decline of the services/interventions described above for the student:

Signature

Date

Check one of the following:

Parent/Guardian Signature

Student – Mature Minor (child of any age who is capable of providing consent because they have the maturity, intelligence and capacity to understand the nature and purpose of the decision and can appreciate the reasonable foreseeable consequences. In this case, parental consent is not required and does not override the decision of the child.)

Student – Independent Minor (not yet 18 but living independently of parents/guardians and responsible for making own decisions about their education)

Adult Student (18 – 21 years of age)

Place completed form in student's cumulative folder for documentation purposes.
