

## **GRADUATION / COMMENCEMENT**

### **Background**

The Division encourages and approves of the organization of an appropriate program to recognize students completing their final year of a school program.

### **Procedures**

1. The principal, in consultation with staff and the School Community Council, will be responsible for determining eligibility criteria and organizing the recognition program.
2. The school or Division will not be responsible for other activities outside of the recognition programs (if any).
3. The Division encourages chemical-free graduations.
