

HEALTH SERVICES

Background

The Division recognizes the importance of the health and welfare of its students.

Procedures

1. The Director or designate may make arrangements with Public Health Services and other agencies or institutions to provide general and specialized health services related to the health and welfare of students in the Division.
2. The Director or designate shall be responsible for arranging contracts with outside agencies for approved health services.
3. The Superintendents of Education shall have administrative oversight for health services provided for students in schools.
