

GSSD PROFICIENCY AWARD APPLICATION FORM

The Good Spirit School Division offers a \$400.00 annual scholarship to the top graduating student in each of our Grade 12 classes (one scholarship per facility). The top graduate will be determined using the criteria below.

Principals: Please forward the name and address of the scholarship recipient so the funds may be forwarded accordingly. This information is to be forwarded to the Accounting Manager in the Yorkton Administration Office at the conclusion of the school year.

Note: Please ensure the student has a valid signed "Publication Authorization" form on file as student names and/or digital images may/will be publicized in the local media, the Division newsletter and/or the Division website.

GSSD PROFICIENCY AWARD APPLICATION FORM

Eligibility Criteria:

- The student and the student's parent(s) or legal guardian(s) must be Permanent Residents of Saskatchewan. Exchange, visa, and foreign students are not eligible.
- The student must be in regular attendance as defined by local policy.
- The student must complete the requirements for Grade 12 graduation under the regular 24 credit program during the high school academic year.
- The student must obtain a minimum of 6 course credits within the academic year.
- The student's average must be calculated in accordance with the *Transcript of Secondary Level Achievement* issued by the Ministry of Education using the following criteria to determine which courses are eligible for consideration:
 - Each applicant's academic standing shall be determined by averaging the final marks for seven (7) 30-level courses as follows: English Language Arts A 30; English Language Arts B 30; one (1) of Social Studies 30, History 30 or Native Studies 30; one (1) 30-level science; one (1) 30-level mathematics; and two (2) 30-level electives for the year ending June 30. Comparable courses offered in French are also acceptable.
 - All marks obtained prior to June 30 of that school year, including retakes and supplementals, are accepted.
 - Averages should be calculated to one decimal place.
