

IN FOCUS

WITH GOOD SPIRIT SCHOOL DIVISION

May/June 2019

STUDENT AND FAMILY FOCUS

GSSD exists to provide the highest level of student learning & well-being. All students will experience learning environments rich in the opportunities and experiences necessary to promote intellectual, emotional and spiritual growth.

Long-term Goals

- By June 30, 2020, at least 90% of students exiting Kindergarten in GSSD will be ready for learning in the primary grades.
- By June 30, 2020, at least 85% of GSSD students in grades 1 to 6 will be at or above grade level in reading.
- By June 30, 2020, at least 80% of GSSD students in grades 4, 7 & 9 will be at or above grade level in writing.
- By June 30, 2020, at least 80% of GSSD students in grades 2, 5 & 8 will be at or above grade level in math.
- By June 30, 2020, GSSD will reduce the number of students reporting high levels of anxiety by 5%.
- By June 30, 2020, GSSD will achieve an 85% three-year graduation rate.
- By June 30, 2020, GSSD will achieve an 90% five-year graduation rate.
- By June 30, 2020, GSSD students in grades 4 to 12 will report at least a 5% increase in student intellectual engagement.
- By June 30, 2020, all GSSD students will achieve at least a 5% increase in student attendance.
- By June 30, 2020 GSSD will promote empathy, respect and understanding in teaching related to residential schools and aboriginal history as outlined in the Truth and Reconciliation Calls to Action (Section 63).

SHOWCASE TRACK MEET

June 11, 2019 was a beautiful day for GSSDs 13th Annual Showcase Track Meet.

Three hundred and eighty Grade 4 & 5 students from across the division competed in track and field events: shot put, long jump, high jump, 100m heats, 800m heats and a relay.

We would like to thank GSSD staff and volunteers who helped to organize and work at this event. We would also like to extend our gratitude to the YRHS students who operated the canteen, and ran the events over the course of the day. A great day had by all!

DISTRICT TRACK & FIELD RECORD BREAKERS

The East Central Track & Field Championships took place May 28-29, 2019 at Yorkton Century Field. Thirteen GSSD students shattered records previously held!

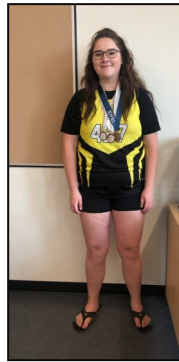

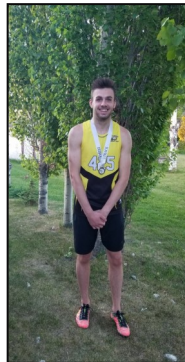

Event	Name	School	Record
Shot Put (3kg)	Brady Kashuba	Preeceville School	11.78m
4X100 Relay	-	M.C. Knoll School	56.81s
4X100 Relay	-	Yorkton Regional High School	47.65s
Pole Vault	Kaylee Norton	Yorkton Regional High School	2.50m
Shot Put (4kg)	Melissa Crowds	Langenburg Central School	10.31m
Long Jump	Drew Kirk	Langenburg Central School	6.89m
800m	Kaitlyn Sauser	Churchbridge Public School	2.40.62s

Congratulations!

2019 NATIONAL SKILLS COMPETITION

GSSD students had a tremendous trip to Halifax, Nova Scotia to compete at the 2019 National Skills Competition. One student from Melville Comprehensive School (MCS) and three students from Yorkton Regional High School (YRHS) were great ambassadors for the school division.

Photo above:
Mr. Wilk & Garrett Lang
at the 2019 National Skills
Competition.

Garrett Lang (MCS) competed in cabinet making, Isaiah Bergen (YRHS) competed in Automotive Technology, Jessica Nelson (YRHS) competed in photography and Ty Loewen (YRHS) competed in Outdoor Power & Recreational Equipment.

TY Loewen brought back a National Silver Medal. Congratulations Ty!

Mr. Wilk, Mr. McDowell and Mr. Tkachuk are very proud of the students excellent work.

STUDENT MINDFULNESS PRESENTATION

Students at Macdonald School received a special presentation on May 3rd.

Speaker/Author/Mindfulness Coach and Teacher, Trina Markusson joined the students to share mindfulness strategies.

Sharing her book “Good Morning Sunshine,” and strategies on mindfulness, Trina provided tools focused on helping build focus, attention skills and helping kids and adults deal with stressful thoughts and difficult emotions.

On the second day of her two day visit, Trina was the keynote speaker for Macdonald Schools’ annual “Hope Honour Heroes” Mental Health Walk.

Photo above: Trina Markusson and Principal of Macdonald School, Melissa Johanson

Macdonald School would like to thank Hope Honour Heroes for sponsoring the opportunity!

MUSIC TO OUR EARS!

The largest concert by a school in Canada was held on Monday, May 6 in Yorkton.

Approximately 1,200 band students from GSSD came together at the Gallagher Centre Flexi Hall to perform a massed band concert to celebrate Music Monday.

Music Monday is an event orchestrated by the Coalition for Music Education in Canada which works to raise the awareness and to promote the benefits that music education brings to youth.

This year was the 15th edition of Music Monday and students across Canada performed Canadian Jazz legend Oscar Peterson’s “Hymn to Freedom.”

Congratulations to the students and staff who were involved in making this Music Monday a huge success!

SAFETY PATROL MONTH!

Every year the month of May is dedicated to the 4,500 CAA School Safety Patrollers in our province. Within GSSD, there are 11 schools that have the program and over 100 Safety Patrollers! Patrollers help their peers cross the streets safely on their routes to and from school and share the best pedestrian and traffic safety practices with their classmates. Before participating in the program, patrollers receive training with complimentary materials provided by CAA including patroller handbooks, stop paddles, vests, and whistles. CAA patrollers encourage and model safe behaviour to other students and the community, teaching children leadership skills, confidence, and independence.

Thank you to all the student Safety Patrollers for keeping our roads safe for students!

GSSD FEATURE STUDENT

GSSD has a long standing Motto – “Students Come First”. The Board has recognized that our primary business involves educating, supporting, and growing outstanding students and individuals. Part of this process is recognizing excellence in student achievement. School staff are encouraged to nominate feature student artists, athletes, leaders, mentors, scholars, and writers.

Featured artist is Alexa Olson from Norquay School. Congratulations Alexa!

Who knew one of the finest young clarinet players was in a little town called Norquay?

Alexa Olson has demonstrated her musicianship throughout her various musical activities during this school year. Her dedication in band has been acknowledged, not only at the local level, but now provincially.

Alexa was one of 117 students in Saskatchewan who auditioned to participate in the Saskatchewan Provincial Honour Band. At the beginning of June, she was notified that she was one out of 62 students selected! She will travel to Regina for three days to participate in the event, and it will finish with a public concert, which will take place on Saturday, November 2nd, at 4:30 PM, at Living Hope Alliance Church in Regina. Tickets are \$10.00 which will be available at the door.

COACH CAMERON FIELD

Photo above: Facility Technicians Chad Hicks and Dave Kresak pose with students under the new sign.

Sturgis Composite School Field has now been renamed to “*Coach Cameron Field*” after long time coach and educator Brad Cameron.

Mr. Cameron has been a coach of many sports in Sturgis and area including lacrosse, hockey, curling, golf, basketball, and cross country. He is also the founder and coach of the Sturgis National Archery in the School Program where he has coached numerous kids that have medalled nationally and he was also one of the founders and President of the Sturgis Archery Club.

Mr. Cameron’s volunteer and commitment to the community goes beyond sports with his membership in the Kinsmen Club, member of Ducks Unlimited, a past member of the Sturgis Volunteer Fire Department, as well as being involved with the Sturgis Sports and Rodeo.

On top of all of this, Mr. Cameron has been a strong leader in the school community, serving as the Principal of Sturgis Composite School until his retirement in June 2019.

A strong leader as a coach and educator, his legacy will live on!

M.C. KNOLL'S INCLUSIVE PLAYGROUND

Grade 3 students at M.C. Knoll School knew they wanted to make their playground a place for all children to play. With the help of teacher Mr. Mark Schendel, the idea to raise funds started with a bracelet; a bracelet that would soon bring in \$1,500.

A swing-set of large stature is a bit more than that, and so with the support of community groups, the idea of having a playground inclusive for all...soon became a reality.

Thank you to the following contributors:

- The Kinsmen Foundation contributed \$4,500;
- Cornerstone Credit Union bought 80 bracelets from the students for \$400;
- Access Communications contributed \$1,000; and,
- NL Construction purchased bracelets for all their employees and completed the work for the project.

The total raised was over \$8,000. With the word spreading quickly, soon Flaman was on board, providing donated construction fencing for safety and Yorkton Landscape helped with the landscaping.

The set is a combination of a traditional swing set and a wheelchair accessible for all to use and enjoy.

CONTINUE READING ALL THROUGHOUT THE SUMMER

Leading Canadian author Eric Walters has teamed up with Canadian School Libraries for the summer reading promotion "School's Out for the Summer, and Your Books Should be, too!" Walters hoped to have up to twenty schools across Canada volunteer to allow students to borrow books for the summer.

GSSD opens its libraries for two half days in July and August!

Imagine Eric Walters' surprise when he discovered that the Good Spirit School Division has been loaning books over the summer for the past three years. Not only that, GSSD opens its libraries for two half days in July and August so that students can exchange their books. In an email sent to Charlotte Raine, Curriculum Coordinator, and Katrina Wasylenchuk, librarian at Sturgis Composite School, copied to the President of Canadian School Libraries, Eric Walters declared,

"Spectacular! By Monday there will be a parcel with 50 signed posters and about 600 bookmarks (some will be signed) for you to post and distribute. I LOVE Saskatchewan. When I tour there I tell students that your province is the heart of Canada."

Hats off to the following schools and their library technicians/administrators for coming back to school this summer and opening the doors of their libraries.

Canora Comp	Langenburg
Canora Jr	M.C. Knoll (Yorkton)
Churchbridge	Melville Comp
Columbia (Yorkton)	Miller (Yorkton)
Davison (Melville)	Norquay
Esterhazy High	P. J. Gillen (Esterhazy)
Grayson	Preeceville
Invermay	Saltcoats
Kamsack Institute	Sturgis Composite
Yorkton Regional High School	

Students from Stockholm, Springside, Victoria, Dr. Brass and Yorkdale schools have been encouraged to visit their public libraries over the summer. Madison Elphinstone has been hired as the summer literacy programmer. She will be visiting all the GSSD schools and many public library branches to deliver programs over the summer.

NATIONAL INDIGENOUS PEOPLES DAY 2019

June 21st, National Indigenous Peoples Day (NIPD), is a day to acknowledge the unique heritage, diverse cultures and outstanding achievements of First Nations, Métis and Inuit peoples in Canada. Schools across GSSD organized events in their communities to celebrate and share knowledge about the Indigenous peoples' values, customs, languages, and culture.

COLUMBIA SCHOOL/DR. BRASS SCHOOL:

Students and staff at Dr. Brass School and Columbia School celebrated the day together by participating in a Pow Wow dance demonstration, a Round dance, and an Honour song. The day also provided an opportunity to acknowledge the schools Wisdom Keeper.

Staff & students celebrated and honoured the Indigenous women working at Columbia School and Dr. Brass School.

Photo to the right: Mrs. Brass, Ms. Crook, and Mrs. Lerat.

ESTERHAZY HIGH SCHOOL:

Esterhazy High School (EHS) students participated in the Kairos Blanket Exercise and watched the feature film "The Grizzlies."

The movie "[The Grizzlies](#)" is based on the true story of Russ Sheppard, who grew up in Esterhazy and then taught in Kugluktuk, Nunavut. The movie is educational and contains some serious content/themes related to the residential school legacy, addictions, trauma, suicide, resilience, reconciliation, and hope. A trailer of the movie can be found at the link above.

EHS would like to thank the Yorkton Tribal Council, Big Brothers and Sisters, Maple Leaf Theatre, and their School Community Council for supporting the day.

VICTORIA SCHOOL/KAMSACK COMPREHENSIVE INSTITUTE:

Victoria School (VIC) and Kamsack Comprehensive Institute (KCI) celebrated the day together! School Elders, Stella Pelly and Vincent Cadotte, opened the morning with a welcome and prayer. Robert Severight and family shared cultural dancing and singing. Throughout the year, Robert has been working with both VIC and KCI students to teach them drumming and singing.

After a snack break, Dianne and Joe Musqua spoke about reconciliation and embracing your cultural identity. After the morning presentations, all students and staff took part in an awareness walk. Students carried

banners that were created with help from local artist, Dustin Wilson. The walk ended at the Kamsack Petrocan where a hamburger lunch was enjoyed by everyone.

It was a great day of learning, sharing and embracing diversity and culture!

SIGMUND BROUWER LAUNCHES SUMMER READING PROGRAM IN GSSD

Sigmund Brouwer returned to the school division June 24 – 26 to launch the “Readers are Leaders” summer reading program. Brouwer toured to 14 schools spreading the message of the importance and benefits of reading over the summer.

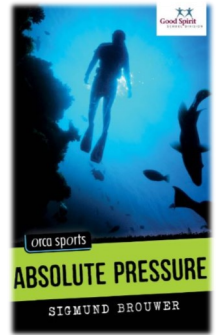

Photo above:
Sigmund Brouwer with
Sturgis Composite School
students

GSSD is pleased to present every grade 4 – 8 student with a copy of Sigmund Brouwer’s book, *Absolute Pressure* to kick-start their summer reading. A special edition copy of the book was printed thanks to the sponsorship of the following businesses and organizations:

- Calder School;
- Esterhazy School Community Council;
- Invermay School Community Council;
- Kamsack Comprehensive School Community Council;
- Langenburg Central School Student Representative Council;
- Macdonald School Community Council;
- M C Knoll School Community Council;
- Preeceville School Community Council;
- Saltcoats School Community Council; and,
- Sturgis School Community Council.

Photo above:
Sigmund Brouwer and
Canora Composite School
Student Janis Ruiz-Mesa

GSSD extends a heartfelt thanks to these groups for supporting this important literacy initiative. A total of over \$6000 was raised.

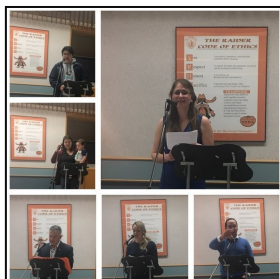

YORKTON REGIONAL HIGH SCHOOL INDIGENOUS STUDENT CENTRE

The introduction of the Indigenous Student Center into the Yorkton Regional High School has been an overwhelming success and survey data would suggest it has resulted in an improved sense of belonging among Indigenous students who attend the YRHS. The space has provided opportunity for Indigenous students to participate in cultural activities, Salteaux lessons, receive academic support, participate in sports activities together and to enhance relationships between students and staff alike.

In March of 2019, the YRHS held the Grand Opening of the Indigenous Student Center with numerous students, family members, friends and honored guests in attendance. Highlights from the opening were a bannock and stew supper with student presentations celebrating the excellent work of Barbara Pelletier, Indigenous Student Achievement Coach, Jessica Kyle, Graduation Coach, and Diana Kozak, Aboriginal Community Worker. Chief Cadmus Delorme of Cowessess First Nation delivered a keynote address highlighting the importance of reconciliation. Chief Delorme encouraged those in attendance to continue along the journey of Reconciliation and commended the YRHS for their work in this area. A round dance involving those in attendance concluded the evening.

CALDER SCHOOL 1912-2019

In 1912, a little school opened on main street, in a little lean-to beside the pool hall, in a little town called Calder.

A 58 km drive straight east of Yorkton, the Calder Public School began in the heart of the community, and there it stayed for 107 very eventful years. Eventually the school was moved to a less illustrious spot within Calder, but the community spirit and learning that happened there continued. Many amazing students attended that little school and went on to lead great lives. Many teachers, staff, and volunteers shaped those students and helped them to achieve what they most wanted, and always the community supported them all. That little school was a place for many, many memories, and when it came time to say good-bye, the community once again stepped up by throwing a huge party! More than 300 people came with those many memories and celebrated them, thereby creating so many more in the process!

We wish the staff and students all the very best in their futures, and we hope that the memories and experiences they made in this little school in the little town of Calder shine bright!

NEW BEGININGS

The end of June is a time of saying good-bye and hello!....

Good-bye to Kindergarten...

Hello Grade 1!

Good-bye to Grade 8...

Hello Grade 9!

Good-bye to Grade 12...

Hello Graduation!

And Good-bye to working...

Hello Retirement!

We celebrate all graduations as a time of transformation. Beginning in Kindergarten students are full of enthusiasm and are curious to learn; Grade 8 students head into high school; Grade 12 students look back on their accomplishments and reminisce about all the good times they've had along the way. And finally... coming full circle with our retirees who put in years of hard-work and dedication, helping to shape the lives of these students.

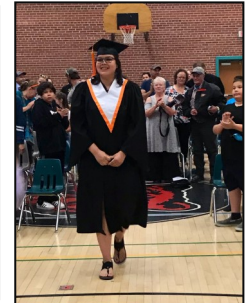

To all the students and staff, your graduation and retirement is an ending worth celebrating, but it is also a confident new beginning, and surely, a memorable milestone on your journey through life.

Congratulations to all the graduates and retirees of Good Spirit School Division!

We are all incredibly proud of the work that you have accomplished.

INTERNAL PROCESS FOCUS

GSSD is committed to providing equitable, balanced opportunities among schools, students, and staff.

Long-term Goals

- By June 30, 2020, each functional area within GSSD will demonstrate improvement in services through the development and revision of processes and administrative procedures.

IMPLEMENTATION OF ATRIEVE

During the 2019-2020 school year, GSSD administration staff will be implementing a new human resource, payroll, and accounting software called Atrieve. GSSD is the only school division in Saskatchewan using the current version of software. Moving to a new vendor will put GSSD on the same software platform utilized by over half of Saskatchewan school divisions.

Conversion will allow for streamlined processes with automated workflows and electronic approvals. This will reduce redundant data entry and provide staff with more time for student success initiatives. Some efficiencies would include:

- Online forms routed to the required approver for electronic approval;
- Reduction of paper-based and manual tracking processes;
- Simplified workflows;
- Improved attendance, absence and leave management;
- The ability for document scanning and storage to save time and space (eDocs);
- Customizable dashboard reports; and,
- Automated dispatching system for substitutes.

GSSD is committed to providing equitable, balanced opportunities among schools, student and staff. Administration looks forward to the increased efficiencies and would like to thank all the staff for their hard work and patience as we transition through this process.

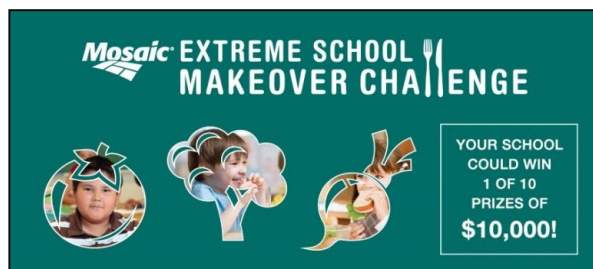

FINANCIAL STEWARDSHIP

GSSD believes that we are all accountable. Board members, students, staff, families and community members have a responsibility, both individually and as part of the learning team, to participate and to contribute positively to public education.

Long-term Goals

- By June 2020, GSSD will implement systemic approaches to find efficiencies and increase value for money allowing the division to respond to the challenges of student and staff needs.

2019 MOSAIC EXTREME SCHOOL MAKEOVER

Exciting news for Dr. Brass School! The school has been named one of ten schools in Saskatchewan to receive a \$10,000 grant to support student nutrition from this year's Mosaic Extreme School Makeover Challenge.

Dr. Brass School will use the grant money to aid in the path toward reconciliation, help implement Indigenous Foods program and purchase a commercial dishwasher.

More than 80 schools from across the province submitted their projects.

The Mosaic Challenge began in 2006 as a way to encourage grassroot initiatives to help improve student nutrition.

Congratulations staff and students at Dr. Brass School!

OPERATIONAL EFFICIENCIES

GSSD believes that we are all accountable. Board members, students, staff, families and community members have a responsibility, both individually and as part of the learning team, to participate and to contribute positively to public education. To accomplish this, we must always look for new and innovative ways of doing our work.

During the 2019-20 school year, several projects will be realized. GSSD will be consolidating operations of administration, transportation, and facilities into one complex which will reduce overall operating costs and increase efficiencies. The transition is projected to occur before August 31, 2019.

**Savings over
10 years**

\$270,000

As of November, GSSD will be implementing new HR, Payroll, and Accounting software that will lead to operating efficiencies at the school and divisional levels as well as monetary savings.

**Savings over
10 years**

\$2,000,000

**Savings over
10 years**

\$560,000

To be good financial stewards, GSSD will also be moving away from two software solutions, opting for in house products. We are confident that this change will have no negative operational implication while saving significant licensing costs that can be re-directed to other vital areas.

GSSD has also invested considerable time and effort in reviewing the organizational structure of the central office. We have reviewed several Saskatchewan school divisions to determine how to maximize our human capital at the division level. By the fall of 2019, GSSD will have fully implemented the recommendations of the organizational review.

To view Good Spirit's 2019-20 Budget Report, visit our website at www.gssd.ca > Media Room > 2018-2019 (under Reports) > [2019-20 Budget Report](#)

GRANTS GALORE!

Program Benefit Coordinator Dianna Kozak works hard researching and applying for grants to enhance school programs across the division. Check out the latest grants below!

Columbia School: \$2,600 - Painted Hand Community Development Corporation—June 21 Indigenous Peoples Day Celebration.

Dr. Brass School: \$2,800 - Painted Hand Community Development Corporation—Grade 8 Field Trip to Wanuskewin Heritage Park.

Kamsack Comprehensive Institute: \$2,000 - Painted Hand Community Development Corporation—KCI Drumming Group

Victoria School: \$3,000 - Painted Hand Community Development Corporation—June 21 Indigenous Peoples Day Celebration.

PEOPLE CAPACITY FOCUS

GSSD is a community of learners and believes collaborative partnerships with students, staff, families and community members will enhance educational opportunities.

Long-term Goal

- By June 30, 2020, GSSD will demonstrate a commitment to provide professional development and training to its staff.
- By June 30, 2020, GSSD will demonstrate a commitment to the establishment of new and reaffirmed partnerships.

GOOD SPIRIT SCHOOL DIVISION PROFESSIONAL DEVELOPMENT OPPORTUNITIES

PD Event	Date	Topic / Outcome
Rime Magic Training	May 6, 2019	The purpose of this session was for teachers to be trained on how to use Rime Magic in a classroom setting. Rime Magic is an innovative word-recognition system that is raising the achievement and building the confidence of K-2 readers just starting out, and 3-12 readers who have fallen behind in word recognition and need to catch up.
Spring Practical Applied Arts PLC	May 6, 2019	This PD session was for Practical and Applied Arts (PAA) Instructors and Administrators. The evening session consisted of reviewing budgets, best practices and going forward into the 2019/20 school year.
LAFOIP Session	June 6, 2019	Professional Service Providers took in this afternoon session. The Local Authority Freedom of Information and Protection of Privacy Act (LAFOIP) is a provincial statute that applies to all local authorities.

GSSD TEACHERS LEADING WITH SECONDARY CURRICULUM RENEWAL

The Ministry of Education started the curriculum renewal process for secondary social sciences, secondary arts education, Physical Education 20/30, and secondary practical and applied arts beginning in the fall of 2017.

Good Spirit School Division is proud and pleased to have nine teachers involved in the renewal process sitting on reference committees, writing the new curricula and piloting the new courses. GSSD wishes to congratulate the following teachers for their involvement:

Curriculum	Session	Participant
Social Science	Reference Committee	Brandon Needham
Physical Education 20/30	Curriculum Writing	Amanda Kornaga Reg Leidl
Information Processing	Curriculum Writing	Donald Coleman
Physical Education 20/30	Piloting	Amanda Kornaga Jason Payne Daniel Alspach
Robotics & Automation	Piloting	Andrew Pearce Joel Blair

Focusing
in on ...

THE ROLE OF THE CUSTODIANS

Good Spirit School Division employees 53 caretakers, two Building Technicians and two Building Operators in twenty- six schools.

Under the guidance of the Caretaker Coordinator, Dan Boyle, these dedicated individuals work behind the scenes to make sure the school is clean and safe for staff and students.

The day in the life of a custodian can start as early as 5:30 am and some staff are working well into the evening often sight unseen. Their duties include making sure the snow is removed from the sidewalk before you arrive, garbage is removed and washrooms are sanitized.

When the rest of the school is winding down their classroom activities, the caretakers are just gearing up for summer. Furniture is moved out and the rooms are washed top to bottom and floors are refinished. Lockers are washed, furniture is scrubbed and carpets are cleaned and everything is back in its place in just two short months. They work furiously to make sure the hallways and classrooms are gleaming when staff and students come back from summer vacation.

Thank you for your hard work and providing safe, caring and clean environments for our staff and students!

Photo above: Emil Mysko is a custodian at P.J. Gillen School.

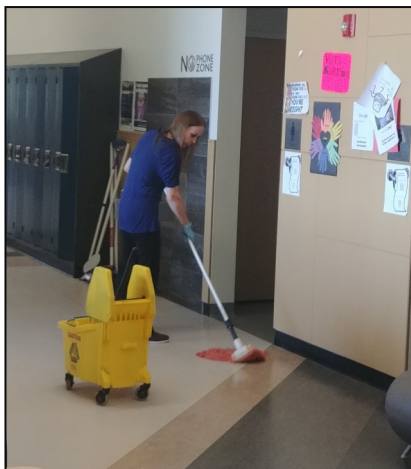

Photo above:
Tammy Rutson is a custodian at Langenburg Central School.
