

PARENT ACKNOWLEDGEMENT OF ENROLLMENT IN AN ALTERNATIVE EDUCATION PROGRAM

Student Name: _____ Date of Birth: _____

School: _____ Grade: _____

A review of school history, including interventions, grade level modifications, formal and informal assessment was completed in consultation with parent(s)/caregiver(s)/guardian(s), teachers and educational support personnel, and has resulted in the recommendation of the educational team that your child be placed in the Additional Education Program, Alternative Education.

The school team has reviewed and discussed the following information to ensure I understand the rationale for placement in Alternative Education Programming:

- The reason for placement in Alternative Education
- The difference between Regular, Modified, and Alternative Education Programs and the goals and content of Alternative Education
- Differences between a Regular and Alternative Grade 12 Diploma and implications for career and post-secondary choices
- Method of program delivery, areas of development, assessment, and evaluation processes

I understand the recommendation for Alternative Education Program placement and realize my child will be working on Alternative 18, 28 or 38 level course(s) which do not meet the admission requirements for post-secondary educational institutions.
