

## PARENT/CAREGIVER/GUARDIAN ACKNOWLEDGEMENT OF ENROLLMENT IN LOCALLY MODIFIED COURSE(S)

Student Name: \_\_\_\_\_ Date of Birth: \_\_\_\_\_

School: \_\_\_\_\_ Grade: \_\_\_\_\_

A review of academic history, and consultation with parents/caregivers/guardians, teachers and educational support personnel has resulted in the recommendation of the educational team that your child be enrolled in the Locally Modified Course listed below for this academic school year (include grade level and specific course(s)).

The school team has reviewed the following information with me, and I clearly understand the recommendation for the Locally Modified Course enrollment described above.

- Rational for recommending the course(s)
- Differences between regular (provincially developed) and modified courses
- Course goals and content
- Career and post-secondary implications
- Method of course delivery, assessment, and evaluation process

I understand that my child:

1. Will be working on a Locally Modified 11, 21, or 31 course(s);
2. may not meet the current admission requirements for post-secondary educational institutions; and,
3. may discontinue the Locally Modified Course(s) at any time.
