At the heart of the Good Spirit School Division, our commitment to student safety and well-being is embodied by the incredible work of our staff members. We are proud to feature two exceptional individuals who play a crucial role in our transportation services: Kelly Becker and Rob Graff. Stationed in our Yorkton and Melville bus garages, Kelly and Rob are the unsung heroes ensuring our fleet is always ready to safely transport over 2,800 students, 184 days a year.

In the bustling Yorkton bus garage, Kelly Becker's expertise and dedication shine brightly. With a keen eye for detail and a relentless commitment to safety, Kelly ensures that every bus in his charge meets the highest standards of operational excellence. His meticulous approach to maintenance and safety checks makes him an invaluable asset to our team. Kelly's work is not just about keeping buses running; it's about guaranteeing that every journey our students take is safe and comfortable. In Melville, Rob Graff brings his extensive knowledge and passion for mechanics to our fleet. Known for his problem-solving skills and a hands-on approach, Rob tackles every challenge with a positive attitude and an unwavering focus on safety. His ability to diagnose and repair even the most complex issues quickly ensures that our buses spend more time on the road and less time in the garage. Rob's dedication extends beyond the engines he fixes; he is deeply committed to the safety and well-being of every student who steps onto a Good Spirit School Division bus.

Kelly and Rob represent the best of what the Good Spirit School Division stands for - dedication, safety, and community. Their work behind the scenes is pivotal in our mission to provide reliable and safe transportation for our students. They don't just maintain buses; they build the trust and peace of mind that parents, teachers, and students rely on every day. Their tireless efforts ensure that over 2,800 students across our division are transported safely to and from school, extracurricular activities, and educational trips. The consistency and reliability of our transportation service, operating smoothly 184 days a year, are a testament to their hard work and dedication.

Your commitment to excellence and the safety of our students does not go unnoticed. You are not just maintaining buses; you are helping to shape a safe and conducive environment for learning and growth for thousands of students.
