Re: STF Strike on Wednesday, March 20, 2024
Date: March 18, 2024

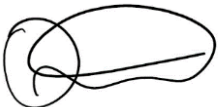

As the Saskatchewan Teachers' Federation (STF) has announced a full walkout for all STF members on Wed., Mar. 18/24, the Good Spirit School Division (GSSD) is issuing the following directives to address the operational needs for that day:

- STF Members: All GSSD staff who are members of the STF will follow the directives of the Teachers' Federation, including participation in the scheduled walkout.
- Reporting to Work: The following non-STF staff members are required to report for work as usual on Mar. 18/24:
 - GSEC Staff
 - Professional Service Providers (non-STF Members)
 - Bus Garage Staff
 - Administrative Assistants
 - Educational Assistants
 - Caretakers
 - Library Technicians
 - Indigenous Community Workers
 - Food Services Assistants
 - Nutrition Workers
 - Security Personnel
- Not Reporting to Work:
 - Bus Drivers will not report to work on Mar. 18/24.

The above directives are aimed at maintaining essential services and minimizing disruption, while respecting the actions of our STF colleagues. This approach balances operational needs with the realities of the walkout. We recognize the impact of these decisions on various roles and responsibilities within our division. Your understanding and continued dedication to the wellbeing of our school community are greatly appreciated.

For detailed responses to the STF job action, please refer to the "GSSD Contingency Plan for Job Action" document available at [Job Action Link | Good Spirit School Division \(gssd.ca\)](#). Thank you for your attention to this important matter.

Warm regards,

Quintin M. Robertson
