

June 14, 2024

Dear GSSD Families, Staff, and Community Members,

We are pleased to report that the Saskatchewan Teachers' Federation has announced that the current provincewide work-to-rule sanction will cease and there will be no further sanctions effective Friday, June 14, 2024, at 4:00 p.m. This decision comes in light of both the Saskatchewan Teachers' Federation and the Government-Trustee Bargaining Committee agreeing to participate in binding arbitration.

As a result of this latest development, GSSD will continue to operate under normal conditions beginning June 14, 2024, at 4:00pm with staff providing noon hour supervision and extracurricular services as they normally would.

We extend our gratitude to our in-school administrators for their dedicated efforts in planning and implementing contingency measures during this uncertain period. Their commitment to the safety and well-being of our students and staff is commendable.

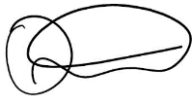

Additionally, we are thankful to our staff and community members who volunteered their time to supervise students. Your willingness to help in times of need exemplifies the strong sense of community and teamwork that defines GSSD.

We will continue to keep you informed of any further developments and provide you with the latest information as we receive it. Your support and cooperation during these times are invaluable to us.

Thank you once again for your understanding and continued support.

Sincerely,
